HEADTEACHER Mr J Maher

Update on national lockdown arrangements

On Monday 4th January, the Prime Minister announced a national lockdown due to rising infection rates of Covid-19. As part of this lockdown, Ashfield School and Post 16 Centre, will be closed from 5th January 2021 until at least the end of half term in February, except for children of key workers or vulnerable children.

The Prime Minister also announced that “not all exams” would go ahead as normal this year and that there would be alternative arrangements put in place. He said the Government would set out further details on this at a later date, and when details of that process is made available to us, we will update parents of students due to take exams this year.

High-quality remote learning will be provided to all students and we would welcome your support in encouraging your child to fully engage. Each year group will have already had information regarding online lesson arrangements.

As you will know from my previous communications the school will remain open for key worker and vulnerable children who will receive the online lessons and resources and follow the strict measures already in place to minimise virus transmission.

If you have any questions/concerns please contact your child’s Pastoral Team in the usual way.

We will continue to update you on future developments and wish you well in adjusting to this new period of challenge and uncertainty.

John Maher
(Headteacher)

LEARNING TO ACHIEVE

We are a UCAS registered centre
