

# AS ACCOUNTING

## ACTIVITY

Just by Googling 'The work of accountants' research what an accountant actually does, identify the different types of accountants and the many various types of employment opportunity. Identify the different ways that exist to becoming an accountant including both the university and non-university routes. Identify the four main professional accountancy bodies and which areas of accountancy they specialise in. Find some accountancy job adverts and see the requirements and types of starting salaries that might exist dependent upon age and qualifications.

## EXTRA:

Only one film worth watching: 'Catch Me If You Can' starring Leonardo DiCaprio and Tom Hanks; one of the best films either of them has made yet very few have ever heard of it.

You can email **Mr Shaw** if you have any questions regarding the course or these induction tasks:
